advertisements and act promptly, by doing the best for  
yourself.

There is no reason that a man should share his bounty  
with unmerited persons who have none.

ENLIST WITH AN ARMY OFFICER,

AND GET THE HIGHEST BOUNTY AND THE BEST POSITION.

THE ONE HUNDRED AND SIXTH REGIMENT.

Colonel Lewis T. Barney.

A gallant old corps, now under the Captain's eye, is be-  
ing specially organized to meet the standard. To do  
this the Superintendents of different towns have allowed them  
to give.

500 BOUNTY FOR ONE YEAR MEN.

Whatever bounty brokers and ramblers may tell you, that  
is the HIGHEST BOUNTY NOW PAID.

But if at any time any town should be paying more than  
they will enlist, then that town will share the bounty, and will  
get the HIGHEST BOUNTY POSSIBLE.

This bounty, with the pay, makes 1871 a week for the  
young men who can enlist at home.

Every recruit in this corps will be given the rank of Captain, will  
be filled from the ranks, and everything will be done to  
make the men contented, and each new company a good  
one.

COME AND SEE THE CAPTAIN,

and get every information, whether you enlist in  
his company or not.
